REQUIREMENTS FOR ELIGIBILITY:

RIDER MUST post at least 1 permanent Instagram post (not story) of a Motion Pro Tire Pressure Gauge (or another Motion Pro product) in use on RIDER's competition bike during the 2022 American Flat Track Race Season while tagging "@motionpro" directly into the post, as well as including "@motionpro" in the text of the post.

RIDER MUST have Motion Pro's 4" oval logo on fork leg/guard of competition bike for the entire 2022 race season in order to be eligible for contingency program.

Any post made in effort to meet eligibility requirements must be done so in good taste, and portray Motion Pro in positive manner.

Failure to meet ANY of the above listed requirements will deem RIDER/Competitor ineligible for Class Contingency at year end.

For any questions regarding these requirements or to obtain Motion Pro logos/and or artwork, please contact:
